AMENDMENT UNDER 37 CFR 1.111

This submission is filed in response to an Office action dated March 6, 2006, setting a shortened statutory time for response expiring on June 6, 2006. As August 6, 2006 fell on a Sunday, this submission is timely filed on August 7, 2006 with a two-month extension of time, payment for which is provided herewith. Careful consideration has been given to the grounds for rejection and the following amendments and remarks are offered in response. Reconsideration respectfully is requested.
